SEEK & REACH ♦ REACH OUT FOR THE STAR ♦
REACH SO THAT ITS BRILLIANCE ILLUMINATES
AND TOUCHES YOU AND ALL ABOUT YOU ♦ SO
THAT NOW, AS IN AGES PAST, THE LIGHT AND
MERCY AND COMFORT AND PITY AND PATIENCE
AND PEACE GLISTENS & GLOWS ABOUT YOU ♦
TO GIVE YOU STRENGTH AND COURAGE, NOW
AS NEVER BEFORE ♦ THAT YOU OVERCOME ALL
THAT IS EVIL & SELFISH & WEAK ♦ THAT YOU
MAY BE STILL AND FEEL THE SOARING PRE-
SENCE OF THE TRUE SPIRIT ♦ ITS SOUL FILLED
HOPE, ITS UNCONQUERABLE OPTIMISM, ITS
FAITH OVERWHELMING ♦ SO THAT IT MAY LIVE
IN YOU & THOSE YOU LOVE ♦ SO THAT ALL,
EACH OF US & ALL OF US, ARE TRANSFORMED
IN THE DIGNITY OF MAN IN A WORLD OF UNITY
AND WISDOM & TRUTH & LOVE COMPLETE.

GROUPS

REACH OUT TO OTHERS

Boys' State and Girls' State

Buckeye Boys' and Girls' State is a one week course in government by means of practical application. Each summer the American Legion and the American Legion Auxiliary plan and sponsor Buckeye Boys' and Girls' State. Delegates are selected from throughout the state to participate in this experience. A model government is established with the delegates vying for the various positions and seeking to have their ideas presented and possibly enacted into law by this mock government.

A number of other service organizations assist the Legion in underwriting the cost of sponsoring delegates. Candidates must be juniors and have demonstrated strong leadership and scholarship ability and believe in the ideals of "God and Country." Delegates must have the endorsement of their high school, plus final acceptance by the sponsoring Legion Post or Auxiliary. Normally Xenia High can send four delegates to Buckeye Boys' State and two to Girls' State.

Several Xenia High School students will visit Europe this summer. They are going on a five week study and travel program which will take them to England, Holland, Germany, Austria, Hungary, France and Italy. The program is offered by ALSG (American Leadership Study Groups of Worcester, Massachusetts). Mrs. Martha Lighthiser coordinates the program locally. The program includes extensive sight-seeing, theater performances, lectures and history, art and cultural foundations of Western Man.

During the summer of 1973 the group studied French at the University of Nice, France. They also traveled in France and England.

Mike Pummell-Student Council President

Student Council is the student government at Xenia High School. It is made up of an Executive Branch, a Legal House, and a Social House. Council meets once a week. During the 1973-1974 school year Student Council revised their constitution, set up a better representative system by using Students at Large, and provided suggestion lockers as a means of communication between Council and students. Student Council has worked hard this past year to create a better representation and communication system.

Student Council

Inter Club Council

Inter Club Council is a group composed of the Presidents (or a representative) from each of the clubs and organizations in Xenia High School. It is the clubs' voice in Student Council. During the 1973-1974 school year, Student Council designated Inter Club to plan and promote all Student Council social activities. Homecoming was very successfully planned and carried out by Inter Club Council. It also played a major roll in this year's Spirit Week.

UNDERCLASS

Reach out for Achievement

Sophomore Class Officers

Jane Faler - treasurer

Theresa Johnson - secretary

Greg Quinlan - president

not pictured Lorie Thompson - vice-president

We, the class of 1976 enjoyed and endured our first year at Xenia High School. From Warner and Central Junior Highs we combined to make a class of 709. The two big Sophomore tasks to take on were management of the coat and hat check and ordering of our class rings. We accomplished these with pride. We also planned a successful XHS Day at McDonald's.

As "underclassmen" we underwent many hard times but we are looking forward to two more happy years at XHS.

We, the Class of '75, are really looking forward to our last year as seniors. This year as Juniors we ran the concession stand at the football and basketball games. When the basketball season was over, the Class sponsored a variety show. After the bills were paid from the concession stand and the variety show, we put our money toward the best prom Xenia High School has ever had. This year the Class worked together more than they did last year as sophomores. Hopefully we will work together more and more so we can make our class the best class to ever graduate from Xenia High School.

In 1971-72 we came to Xenia High School for the first time. At last, we thought, we were part of the High School, not knowing at the time that we would be the largest class (750) to ever enter Xenia High School. Upon entering the High School we did the traditional things-join clubs, participate in sports, and flunk courses. During our sophomore year some of us took part in the beginning of Xenia High's revolution. There were sit-ins, Homecoming was cancelled, students were at each others throat, and the administration was about to crack up. Little did we know the acts, the events of 1971-72, would bring us closer together in 1973-74.

After being let out of school for the summer to cool off, we returned to find out that there had been a few changes. First we were informed that we had gotten a new principal, Mr. Ronald Roth. Along with him came new rules, which everyone detested. After a few months of bickering, and confusion, everyone got use to the rules and we began to take our first step toward normalcy. During our junior year we began to feel more a part of Xenia High School. We took care of such things as concession stands, 50's dance, and most of all we planned the Prom. After many months of planning by our elected officers and representatives, the Prom turned out a great success. Again we were let out of school for three months - this time to take a rest from the books and not from each other.

In the fall of 1973, we returned from our last summer vacation. Everyone came to school with the idea that this year was going to be nothing but fun and games. We started the year off with the same old school drag then things began to perk up. All of a sudden everyone got a fever called school spirit. Teachers and students began to be tuned on the same wave length. Everything was turning up a success - even our old friend Homecoming. We elected Debbie Lairson as Queen and held the Homecoming festivities the next day. During the year we did such things as have class meetings in which we discussed things from mirrors in the bathrooms to the English program. The Senior class got compliments from everywhere for being the hardest working class in sports, academics, and student government. This seems to be the breaking of tradition. We are to have graduation and baccalaureate on June 2 at Central State University.

As we look back over our years at Xenia High School one may wonder, "How did we ever make it?", but now is not the time for contemplating the past but for planning the future.

XENIA'S JUNIOR MISS FINALISTS

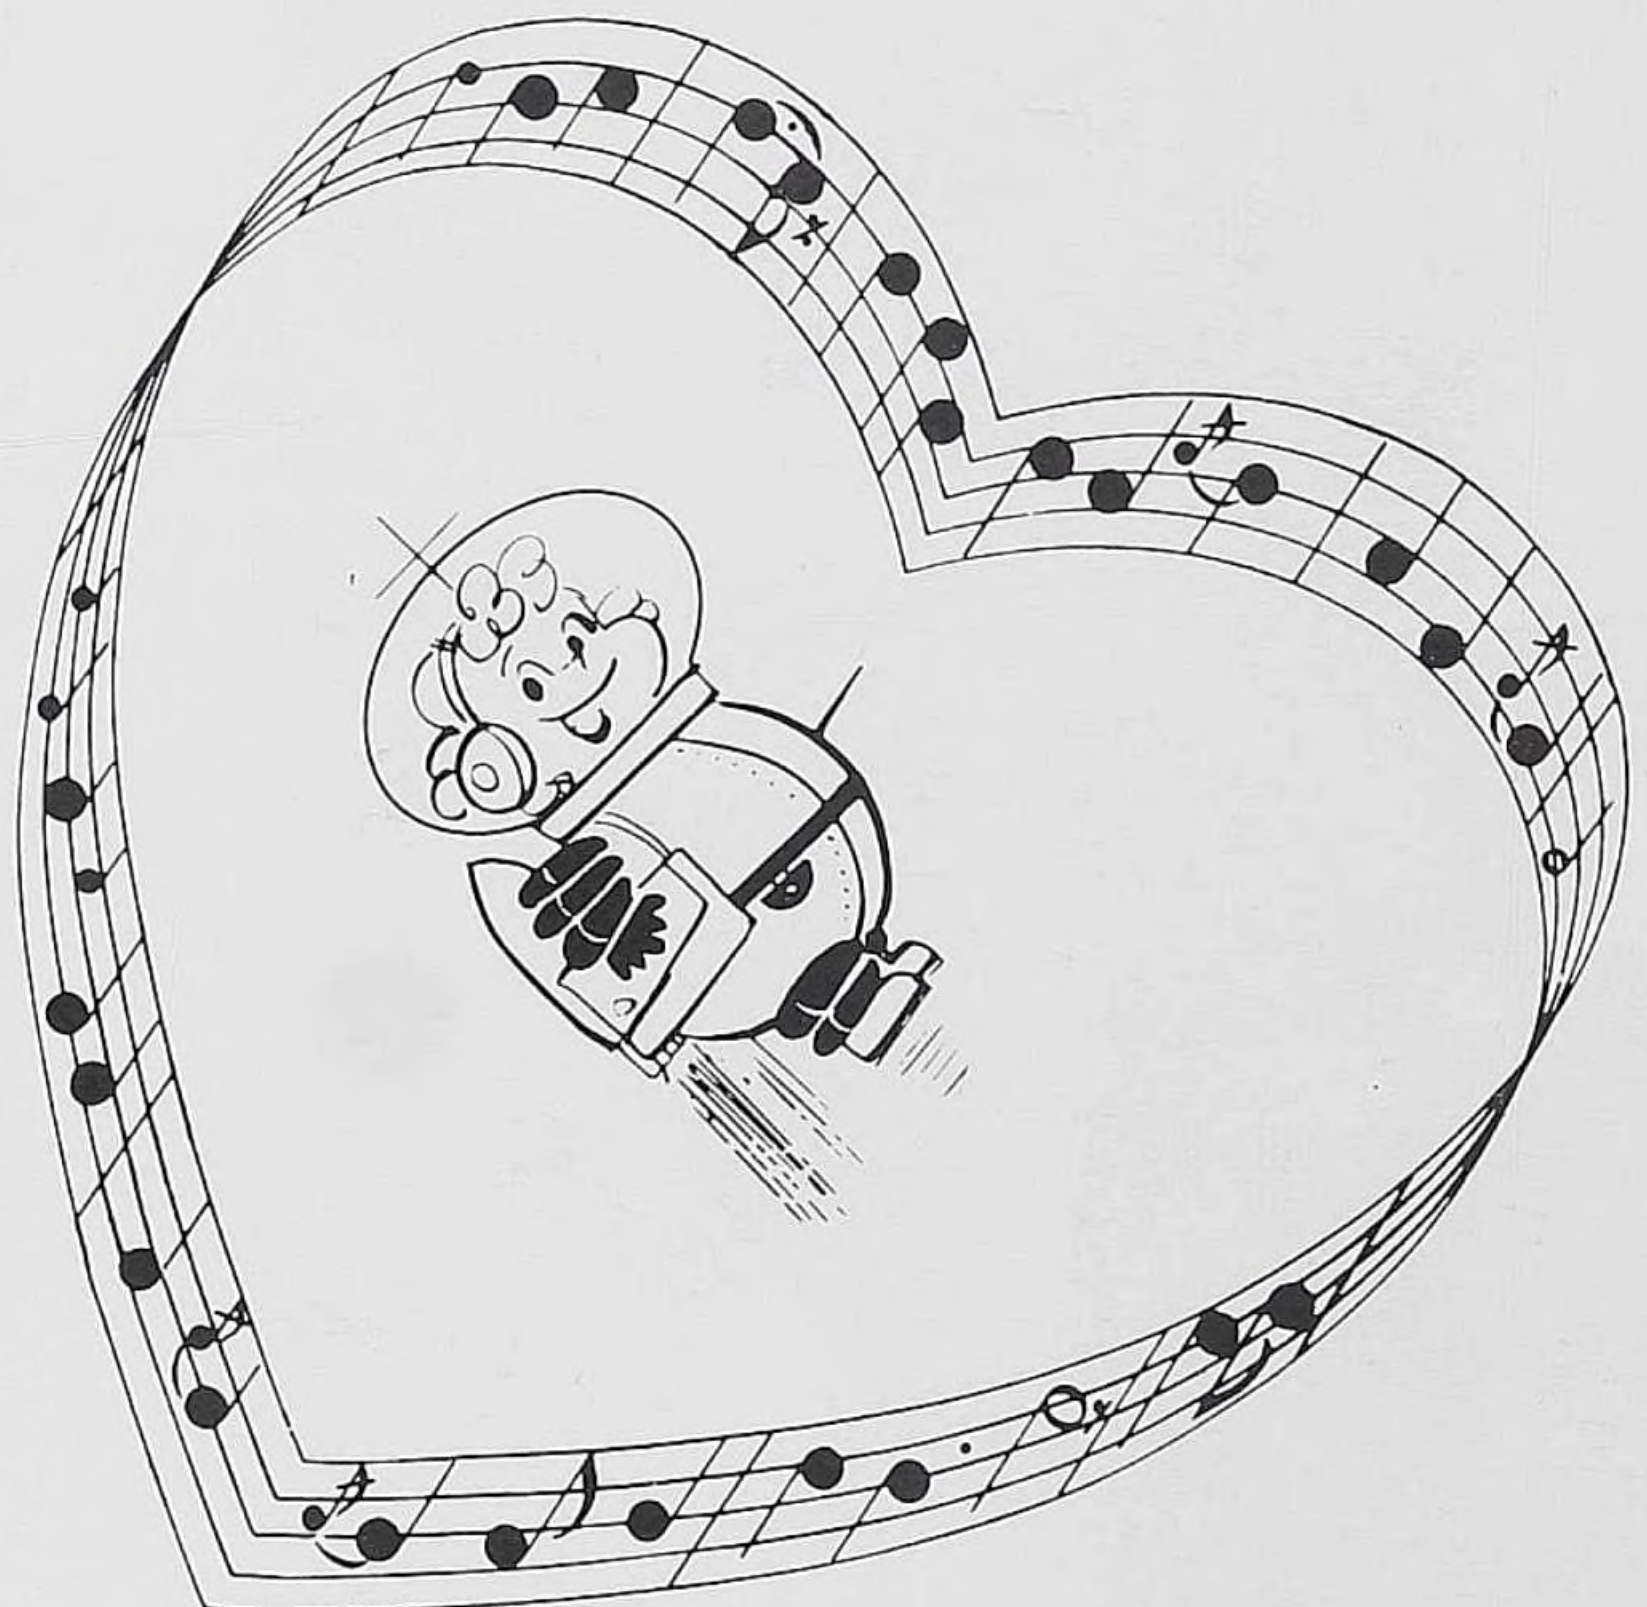

On Saturday, October 6, 1973 the annual Greene County Junior Miss Pageant, sponsored by the Beavercreek Jaycees, was held at Fairmont East High School. Representing Xenia High School were Leslie Kuhn, Denette LaCour, Pam Smith and Carol Norman.

The Junior Miss Pageant, whether local or national is a meeting of minds and a display of talent. The goal is to search for one girl whose personality, poise, and abilities say, "I am the First Lady of Youth." The pageant, originally, was only for Mobile, Alabama, senior girls but was later enlarged to include other southern communities. The response of interested people has made the pageant what it is today. There are contestants from communities, states, and finally the nation. The major awards are college scholarships, gives to stress the importance of education.

Girls are judged in many areas but are awarded only in the following: mental alertness, creative and performing arts, youthful fitness, and poise and appearance.

Congratulations for your fine representation of Xenia High School.

AFS

The goal of the American Field Service Club is to make the world a little smaller. AFS students spend several months to a year in any of 43 foreign cultures - some coming to the U.S., others going from the U.S. Students live with a host family and participate in the customs, traditions, languages, foods, celebrations, and daily life of their hosts.

The Xenia High AFS Club is comprised of students wishing to share in this international adventure. The club sponsors programs on a small group or school-wide basis designed at bringing local students into closer contact with students of other countries and cultures. It is also involved in fund raising programs to help support the AFS students. This year the club is planning to participate in a short term exchange program which will bring students from other areas of the U.S. to Xenia to share in the school and home life of AFS Club members.

This year's reigning Miss Hospitality is Lisa Cody. Miss Hospitality is judged on poise, appearance, personality, and talent. Lisa performed a medley of songs as her talent. She was chosen in September to represent Xenia in the Old Fashioned Day's Festivities. The Miss Hospitality contest is sponsored each year by the Xenia BPW Club and the Xenia Area Chamber of Commerce.

Stephanne Allen became Xenia High School's Betty Crocker Family Leader of Tomorrow when she received the highest score on the Betty Crocker Search. The test is sponsored by General Mills and is given to any interested senior girl. The title gives Stephanne an opportunity to receive a college scholarship from General Mills.

Awards

The All Ohio Football Award is an award given to the top football players in the state. Players are nominated by sports writers of the Associated Press. Dave Adkins was presented this award on January 4, during half time at the Xenia-Troy Basketball game.

In the fall of 1972 some Xenia High School students took the PSAT/NMSC Test. Paul Green, a senior this year was a semi-finalist in scholastic competition in the National Achievement Scholarship Program for Outstanding Negro Students. Dennette LaCour was one of the many commendation award winners. For their high scores, these two seniors had their names, along with other high scorers, sent to colleges and universities throughout the country. The purpose of this program is to increase education opportunities and financial aid for able black high school students.

On November 13, 1973, Kim Stallman and Steven Morgan were presented Youth Appreciation Awards by the Xenia Optimist Club for their outstanding contributions to school and community. Mayor William L. Wilson was guest speaker and Optimist Youth Chairman George Coyle made the presentations.

This year's LaSertoma Youth Service Award went to Lisa Cody. Accompanied by Mr. Eugene Foiles, she was honored by LaSertoma Club of Xenia at a dinner on February 7, 1974. She was awarded a certificate, a savings bond, and her name was engraved on a plaque which was displayed at Xenia High School. This award was given for service and leadership.

*The Halls of Xenia are empty and dark
 Another year has gone by
 The faces, the places, the laughs are gone
 But the memories will never die
 A ticket stub, a program, and a faded corsage
 A clipping from the Gazette
 These pieces of junk are dear to us
 They'll help us not forget
 Next year we'll start all over again
 The cycle never really ends
 Each class discovers its own ideas - -
 New sights, new sounds, new friends
 Now it's time to say good-bye
 We're tired, we're happy, never bored
 So close the book, and keep in mind
 This was XENIAN '74.*

Many of us have "Reached Out" to make the 1974 XENIAN a success during our final year here at Xenia High School. We have all strived to overcome the differences among students, faculty, and administration which had developed throughout our high school days.

We, the editors of the '74 XENIAN would like to thank each and everyone who helped establish this annual. We would like to give our thanks to Mr. Art Cox, for all of the extra work that had to be done, and those last minute pictures before the deadlines. To Ken Miracle and Mary Nickell we could never express our sincere thanks. They both put forth much time and effort toward the completion of this annual. To Mrs. Haglar we would like to say thank you to her for her personal cooperation in holding the position of business manager. We would like to thank Rochelle Wynne for lending her services as proofreader and English consultant. We would also like to express our thanks to those friends who were not members of the annual staff who devoted their time and patience to help us out. We would of course like to express our feelings for the help of each of the annual staff members. What could we have done without you? Everyone "Reached Out" to help because they cared.

As Xenia High's doors close again, another Xenian is distributed. Our last year has been a great one. We'd like to wish the oncoming annual staff the best of luck with the 1975 XENIAN, and that they may achieve their goal as we have.

Good luck to each and every one of you. May you "Reach Out" to achieve your goals in life. May peace, happiness, and joy, be with you.

Editors,
 Gwen Wallen, Dave Johnson
